

American Lincoln Part

American Lincoln Part - The American Lincoln division is now linked with the Nilfisk Advance Industrial Group located in Plymouth, MN, USA. They specialize in floor cleaning machinery which are recognized in the industry as strong and durable equipment that satisfies the requirements of larger infrastructure and heavy industry. Products made in the United States; the sales are conducted nation- wide via national accounts, authorized distributors and direct Government sales.

American Lincoln shares the battery-operated walk behind version of floor scrubber with the Clarke Company that is currently also owned by Nilfisk Advance. Their production operations are primarily based in Springdale Arkansas. These kinds of scrubbers are available in the market under the trade mark name "Encore". American Lincoln can provide machines, parts and warranty service for these scrubbers which have both the Encore and Clarke logos.

Distributed in Wal-Mart and Target distribution centers, the 7765 floor scrubber model is the highest selling floor scrubber in American Lincoln's line and the 7765 has become a trusted model for various facility managers where results and efficiency matter. Recently, this particular floor scrubber model has been requested by the architects in new construction projects like Lowes Home Improvement Stores and Home Depot's. Flooring contractors utilize this particular sweeper scrubber on location because of the model's excellent quality and supreme performance level for polishing concrete.
