

Trek Parts

Trek Part - TREK Cleaning Machines is a manufacturer of cleaning machines. Chris Knowlton, Bob O'Hara and Jim Hartsock, TREK's founders, have over sixty years of experience successfully manufacturing, designing, developing, marketing and providing customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They really believe in delivering true value to their customers and are devoted to giving top quality [parts](#) and new design concepts in order to meet the diverse requirements of their clients.

In their product development; TREK Cleaning Machines always offers fresh design ideas. They like offering items which energize both their dealers and their partners and offer production gains to their clients.

The team at TREK likes tackling new tasks and challenges. They are proud to introduce their new Torsion scrubber line and all of its breakthrough technology. This line was motivated by the comprehension of operators' needs and skills together with their knowledge of cleaning applications, together with owners' strong desire to considerably lower cost through productivity gains.

When considered necessary, the employees within TREK and its several dealer members in both technical support and parts will be available. Among their core values is their high service devotion in their customer service. Keeping their clients' cleaning machinery working and ready day after day is top priority. The company's top of the line technology delivers dependable machinery that eventually lessens your cleaning expense. The service, the product and the price all work together to make them an industry leader.
