

Nissan Forklift Part

Nissan Forklift Part - Nissan prides itself on reaching total consumer fulfillment when their customer is enjoying one of their countless trucks, cars or forklifts. Nissan Forklift branch is a wholly owned subsidiary of Nissan Motor Co. Ltd. They are fully committed to providing high value and detail-oriented quality standards to their clients. Incorporating a prosperous heritage combined with strong production principals, Nissan Forklifts offer a few of the finest materials handling equipment the industry has to offer.

In order to satisfy the worldwide requirements of their assorted purchaser base, Nissan Forklift added a Swedish warehouse manufacturer, Atlet AB to its family. Committed to offering consumer support, the company has four separate production facilities that allow them to constantly adapt to their consumers continually evolving wishes by providing an array of modern ideas and concepts.

The Nissan Lift truck North and South American base is situated in Marengo, Illinois. A devoted team of 350 personnel is committed to the cooperation, design and manufacture of their goods. Operating under the ISO-9001 and ISO-14001 certifications, allows each sector of the Nissan Forklift Corporation to preserve environmental accountability by using methods that diminish the global effect of their products and processes. These high values remind customers that Nissan operates under the quality seal that their customers demand whilst being an environmentally conscious corporation.

Nissan is fairly convinced that any of their consumers inquiries and customer concerns directed towards them can be fully addressed. Always accessible through their website or by calling 800.871.LIFT, contacting one of their locally authorized dealers or even going to their Midwestern facility, Nissan Forklift Corporation is confident you will be impressed with their warmth and dedication.
